Dear GTL Supporter:

“I can connect most of the opportunities that have advanced my life and my career to the relationships that I developed in the Greater Tucson Leadership program in 1981.”

Jannie Cox, 1981 Graduate.

“GTL teaches that leaders must be more involved and engaged. Face-time, open ears, passion and the ability to build coalitions are critical.” *La Monica Everett-Haynes, 2007 Graduate.*

From the beginning years to the present, GTL’s adult leadership program continues to meet our mission, to inspire and develop leadership in Tucson. Do you have a memory or a quote about your GTL class or leadership experience? If so, we’d love to hear from you. We sincerely appreciate and thank you for your commitment to Greater Tucson Leadership! Together, we’re continuing to accomplish some great things for our community.

We invite you to activate and/or renew your membership in Greater Tucson Leadership today! As a member, you will receive our electronic quarterly newsletter, be added to our on-line directory and receive invitations to Alumni and Member-only receptions, plus Class Happy hours.

If you are able, GTL would sincerely appreciate your stepping-up to be a sustaining member. As a sustaining member, you will receive the same membership benefits and will also be recognized in each newsletter as a sustainer. As members and sustaining members, your dollars assist us in not only continuing the great programs we currently offer, but also support bringing new community forums to the Greater Tucson area and other leadership events.

Please complete the attached membership application and mail or fax it into our office today. Don’t forget to visit our web site at www.TucsonLeadership.org to learn of upcoming events and forums. Best Wishes for a great 2008!

Hilda Oropeza Chihak
